

# Vermont *Wednesday, May 7* Intergenerational Walk and Roll to School Day

## Parents, Teachers, Seniors!

- Do you want your child walking and biking to school safely?
- Do you want to bring together community members of all ages?
- Do you want more students to be physically active?
- Do you want to reduce traffic congestion before and after school?

If **YES**, join families across Vermont to unite by walking and biking to school **TOGETHER** on May 7, 2014!

## Walk and Roll to School Day Promotes:

- Safety on and around school campuses
- Physical activity
- Reduced traffic congestion, pollution and speed near schools
- Community and environmental awareness
- Reclaiming neighborhoods
- Shared time with community leaders, parents and children
